

# Grade 6 Newsletter

"Education is all a matter of building bridges."

Ralph Ellison

Dear Parents,

It is said that "A child without education, is like a bird without wings". Your children are your own birds that you need to take care of to become leaders of their own societies.

Once more, you are kindly requested to examine the newsletter very well, and share the content of it with your child so that they can take part in the teaching- learning process in school, and be able to follow the work done day by day. Please don't forget that your own sons and daughters are the future generation and your role is to take a good care of them...

With Love,  
Grade Six English Teachers

# Theme: Why Do We Build Bridges and Tunnels?

## \*Oral Communication Strand: Listening and Speaking

- Learners will listen to audio-texts that are related to the theme "Why do we build bridges and tunnels" and respond to different types of questions related to the audio-text.

-As for speaking, learners will share their knowledge about famous bridges and tunnels in the world using appropriate English language.

**Poems:** Students will analyze and recite poems based on the Big Question.

## \*Visual Strand: Viewing and Presenting

- Learners will view videos about (Bridges and Tunnels), and respond to different types of questions.

- Learners will view posters and images in the book and reflect on them.

- We inspire our learners to be inquirers and life- long learners. So, they will create and present projects based on the big question.

## Written Strand: (Reading and Writing)

### 1. Reading:

- Learners will read a range of stories and articles based on different genres from student book, workbook, and other resources related to the theme.

### 2. Writing:

-Learners will write a persuasive letter taking into consideration the letter form.

**-Journal**

-Students will express their ideas and opinions towards different life issues and topics related to theme.

**Grammar:**

-Students will recognize direct and indirect speech and use them in writing plus adjectives and Wh questions.

**Spelling: Words with (ei & ie); Words with (er & or)**

As for dictation, students will be exposed to unprepared dictation based on their reading lessons.

**Protect ED:** In this educational safety program, learners will be aware of personal safety and how to protect themselves from danger.
